CIRRUS

LIQUID LAUNDRY DETERGENT

Cirrus is a fragrant concentrated liquid laundry detergent containing fabric brightener for a perfect wash.

Typical Properties:

Appearance	=	Clear Blue Thick Liquid
Odor	=	Sweet Perfume
pH @ 25°C (as is)	=	9.2
Viscosity @ 25°C	=	250 cps. (Brookfield)
Specific Gravity @ 25°C	=	1.03
Lb./Gal.	=	8.6

Directions:

For standard top loading washers, use 1/4 cup CIRRUS per load. In front loading washers, slightly less may be used. Add CIRRUS to your wash water first, then add clothing. A stronger concentration of detergent may be required if soil loads are unusually heavy.

First Aid:

Refer to Material Safety Data Sheet.
